JRN 300 is a prerequisite but can be waived with instructor's approval. If selected, you will register for JRN 420 for 4 credits. You may take up to 8 credits over two semesters.

If I'm accepted, I will attempt visit my assigned newspapers. I will pay any phone or other expenses I incur in reporting for CNS if I choose not to use CNS equipment. I agree to devote the necessary time to fulfill the requirements for the number of credit hours I enroll in; this means about two hours on Mondays, one hour on Wednesdays and generally from 8 a.m. to noon on Fridays. In addition, I acknowledge that I will need time to report, research, interview and write on my own and to consult with the instructor.

I understand these conditions and course obligations.
